

SOLD OUT CROWD FOR LATIN WOMEN'S FASHION SHOW AND LUNCHEON

Another sold out ballroom filled with 1,000 high fashion guests at the Hilton Americas Ballroom on May 5 for the 21st anniversary of Latin Women's Initiative (LWI) Luncheon. Chairs Vicky Dominguez and Jolene Trevino and the Board President Vicki Luna welcomed everyone for the annual luncheon and fashion show, and marketplace. Florals, florals, florals were the pattern of the day all in vibrant colors. The décor in the room reflected the vivid hues the crowd was wearing.

Tootsies presented the fashion show with a personal appearance and featuring designer Sandra Weil, contemporary Latin American fashion brand, established in Mexico City. The high-spirited attendees were told that the event was the most successful ever with over \$500,000 raised. The net proceeds will benefit Community Family Centers (CFC), HTX Art, NABA Shoes for Kids, Segundo Barrio Children's Chorus and The Bridge Over Troubled Waters. Over the last twenty years this event has supported non-profits that provide critical services to Houston's Latino community.

Honorary Chair was Marianellys Noble who was presented with an award and made brief remarks on why LWI is so important in our community. For more information visit www.latinwomensinitiative.org
